	Sc	hedule of Tasks for Chemistry Safety Program	Relevant Forms/Links
	Color Codes	EH&S Required Chemistry Recommended University Required	
January	Weekly Tasks	<ol> <li>Check eyewashes and satellite waste accumulation areas, record in log books</li> <li>"Safety Moment" at group meeting</li> </ol>	Eyewash log Satellite waste accumulation log
	Tasks to be completed by January 31st	Chemical and hazardous waste handling refresher (if applicable)     Store certificates in waste management log book     Submit copies to Teresa Spayd	Link to lab and chemical safety Link to request waste pick-up Initial lab and chemical safety
		2) Laser or X-ray audits (if applicable) Review laser, X-ray, radioactive safety training procedures Review safety implementation steps Review laser, X-ray, radioactive regulation procedures	Link to laser safety resources Link to X-ray safety resources Link to radioactive materials safety
		3) EHS Mandatory self-inspection and lab clean-up Require a different lab member to help each time Send to Teresa Spayd and Larry Johns Include copy in waste management log book	EHS Self-inspection form Link to waste logbook template
		4) Place copy of lab safety training certificates for new lab members in waste manage	ement log book
		5) Learning Experience Report <u>Send to John Asbury</u>	LER blank template
		Requirements for Community Citizen Award due by January 31st  1) Self-inspection to Teresa Spayd  2) LER to John Asbury  3) Updated contact information to Teresa Spayd	Link to previous LER summaries Link to previous LER files
February	Weekly Tasks	1) Check eyewashes and satellite waste accumulation areas, record in log books 2) "Safety Moment" at group meeting	Eyewash log Satellite waste accumulation log
	Monthly Tasks	Monthly laboratory self-inspection and lab clean-up Require a different lab member help each month Send to Teresa Spayd	EHS Self-inspection form

March	Weekly Tasks	<ol> <li>Check eyewashes and satellite waste accumulation areas, record in log books</li> <li>"Safety Moment" at group meeting</li> </ol>	Eyewash log Satellite waste accumulation log
	Monthly Tasks	Monthly laboratory self-inspection and lab clean-up Require a different lab member help each month <u>Send to Teresa Spayd</u>	EHS Self-inspection form
April	Weekly Tasks	<ol> <li>Check eyewashes and satellite waste accumulation areas, record in log books</li> <li>"Safety Moment" at group meeting</li> </ol>	Eyewash log Satellite waste accumulation log
	Tasks to be completed by April 30th	Monthly laboratory self-inspection and lab clean-up    Require a different lab member to help each time <u>Send to Teresa Spayd</u>	EHS Self-inspection form
		2) Learning Experience Report  Send to John Asbury	<u>LER blank template</u>
		Requirements for Community Citizen Award due by April 30th  1) Self-inspection to Teresa Spayd  2) LER to John Asbury  3) Updated contact information to Teresa Spayd	Link to previous LER summaries Link to previous LER files
May	Weekly Tasks	1) Check eyewashes and satellite waste accumulation areas, record in log books 2) "Safety Moment" at group meeting	Eyewash log Satellite waste accumulation log
	Monthly Tasks	Monthly laboratory self-inspection and lab clean-up Require a different lab member help each month Send to Teresa Spayd	EHS Self-inspection form
June	Weekly Tasks	<ol> <li>Check eyewashes and satellite waste accumulation areas, record in log books</li> <li>"Safety Moment" at group meeting</li> </ol>	Eyewash log Satellite waste accumulation log
	Monthly Tasks	Monthly laboratory self-inspection and lab clean-up Require a different lab member help each month Send to Teresa Spayd	EHS Self-inspection form

July	Weekly Tasks	<ol> <li>Check eyewashes and satellite waste accumulation areas, record in log books</li> <li>"Safety Moment" at group meeting</li> </ol>	Eyewash log Satellite waste accumulation log
	Tasks to be completed by July 31st	Take corrective action as required by EH&S after inspection     Confirmation of corrective actions to Larry Johns     and Teresa Spayd	
		2) Chemical inventory updated annually (at a minimum) in CHIMS	Info about CHIMS CHIMS Forms
		3) Learning Experience Report  Send to John Asbury	LER blank template
		Requirements for Community Citizen Award due by July 31st  1) Confirmation of corrective action to Teresa Spayd  2) LER to John Asbury  3) Updated contact information to Teresa Spayd	Link to previous LER summaries Link to previous LER files
August	Weekly Tasks	<ol> <li>Check eyewashes and satellite waste accumulation areas, record in log books</li> <li>"Safety Moment" at group meeting</li> </ol>	Eyewash log Satellite waste accumulation log
	Monthly Tasks	Monthly laboratory self-inspection and lab clean-up Require a different lab member help each month Send to Teresa Spayd	EHS Self-inspection form
September	Weekly Tasks	1) Check eyewashes and satellite waste accumulation areas, record in log books 2) "Safety Moment" at group meeting	Eyewash log Satellite waste accumulation log
	Monthly Tasks	Monthly laboratory self-inspection and lab clean-up  Require a different lab member help each month  Send to Teresa Spayd	EHS Self-inspection form

October	Weekly Tasks	<ol> <li>Check eyewashes and satellite waste accumulation areas, record in log books</li> <li>"Safety Moment" at group meeting</li> </ol>	Eyewash log Satellite waste accumulation log
	Tasks to be completed by October 31st	Monthly laboratory self-inspection and lab clean-up    Require a different lab member to help each time <u>Send to Teresa Spayd</u>	EHS Self-inspection form
		2) Learning Experience Report <u>Send to John Asbury</u>	LER blank template
		Requirements for Community Citizen Award due by October 31st  1) Self-inspection to Teresa Spayd  2) LER to John Asbury  3) Updated contact information to Teresa Spayd	Link to previous LER summaries Link to previous LER files
November	Weekly Tasks	<ol> <li>Check eyewashes and satellite waste accumulation areas, record in log books</li> <li>"Safety Moment" at group meeting</li> </ol>	Eyewash log Satellite waste accumulation log
	Monthly Tasks	Monthly laboratory self-inspection and lab clean-up Require a different lab member help each month Send to Teresa Spayd	EHS Self-inspection form
December	Weekly Tasks	<ol> <li>Check eyewashes and satellite waste accumulation areas, record in log books</li> <li>"Safety Moment" at group meeting</li> </ol>	Eyewash log Satellite waste accumulation log
	Tasks to be completed by December 31st	Monthly laboratory self-inspection and lab clean-up    Require a different lab member help each month <u>Send to Teresa Spayd</u>	EHS Self-inspection form
		2) Review of Unit Specific Plan  All lab members including PI must review and sign updated version	Template for Unit Specific Plan
		3) Review of Standard of Operating Procedures  SOPs must be reviewed annually and updated if necessary	Template for Safe Operating Procedures
		4) Cleary Act compliance training refresher - all group members including PI	Link to Cleary Act reporter training
		5) Child abuse reporter training - all group members including PI	Link to child abuse reporter training

Revised July 24, 2015
