

Credit by Examination for CHEM 110/111

Credit by examination is a general procedure whereby students can obtain credit for courses by taking a comprehensive examination as described at (<http://senate.psu.edu/policies/42-00.html#42-50>). Students wishing to schedule the CHEM 110/111 credit exam should contact the Chemistry Undergraduate Office (865-9391, 130 Davey Lab) to schedule a time to take the exam. The exam can be given Mondays through Fridays from 8:00 a.m. to 3:30 p.m. The "Credit by Examination Application" form (including signatures) will be provided to students by the Chemistry Undergraduate staff. Students must pay the University's \$120 exam fee by bringing a check payable to "Penn State University" to the exam. Note that this fee must be paid at the time the exam is taken, but the application form need not be obtained ahead of time. Students also should bring their Penn State I.D., pencils, and a scientific, non-programmable calculator (no text storage or communication capabilities allowed) to the exam.
